EDUCATION

DPhil, International Development, University of Oxford (2002-2008)

Thesis: "Land Use, Common Property, and Development Among Pastoralists in Central Tibet (1884-2004)"

MSc, Rangeland Management, University of California-Berkeley (1997-1999)

Thesis: "Stewards of the Land: Rangeland Management in Dolpo, West Nepal"

BA, History, Brown University (1988-1992)

Phi Beta Kappa, Magna Cum Laude

WORK EXPERIENCE

Consultant, ARD, Inc. (2008-present)

Environment and Natural Resources consultant for USAID-funded community development projects in China and Nepal.

Adjunct Assistant Professor, Brandeis University (2009-2010)

Co-taught the core course for master's students in the Sustainable International Development Program and a module on indigenous knowledge at the Heller School for Social Policy and Management.

Research Associate, University of Oxford (2007-2010)

Scientific Officer for a collaborative project investigating the impacts of enclosure on the Tibetan Plateau. Funded by the European Commission, our multi-national and multi-disciplinary team is examining the effects of fencing on livestock productivity, wildlife, vegetation, and the socioeconomic situation of Tibetan pastoralists.

President, DROKPA (1998-present)

Co-founder of non-profit organization that implements grassroots development and catalyzes social entrepreneurship in the Himalaya and Central Asia.

Consultant, Winrock International (2009)

Rangeland management and community development specialist for Sustainable Tibetan Communities project in Sichuan Province, China.

Assistant Professor, University of Vermont (2007-2009)

Instructor in community development, social entrepreneurship, marketing, and research methods in the department of Community Development and Applied Economics.

Consultant, Agriteam Canada (2006-2007)

Consultant for Agriteam's monitoring and evaluation services on a World Bank-funded project in pastoral areas of Gansu and Xinjiang Prefectures, PRC.

Rangeland Consultant, Tibet Poverty Alleviation Fund (2007)

Consultant for community development and resource management program in the Tibet Autonomous Region, PRC. Monitoring and evaluation of pastoral projects including micro-credit, natural resource management training, and capacity building.

Consultant, Digital Himalaya Project, Cornell University (2004-2005)

Coordinator of a team of anthropologists and programmers developing an Internet portal for research on the Himalayas and Tibet that includes image archives, interactive maps, and query-able census data.

Ecologist, Planning Corporation, Santa Barbara, CA (1999-2002)

Consulted on mitigation and restoration of development-related activities in Southern-California including wetland permitting, environmental impact assessments, endangered species monitoring.

National Consultant, World Wildlife Fund, Nepal Program (1994-1996)

Drafted national park management plans, edited a conservation research monograph series, and mapped WWF project sites with Geographic Information Systems (GIS).
